“Innovating for Success”

Wyndham Cleveland at Playhouse Square, Cleveland, OH

Calling all Students! Join us in Cleveland, OH, April 1-2, 2014 for the 2nd Great Lakes Green Chemistry Conference.

Submit your abstract for the poster session to show your Green Chemistry research or project and join us for interactive discussions on research and implementation strategies for

- Safer formulations
- New product development and implementation
- Decision-making tools
- Technical assistance
- Chemicals policy

We're looking for posters that *highlight innovation* and demonstrate how *interdisciplinary integration and collaboration* are crucial for success. Whether your focus is on products, business, academia, policy, or the environment, this is a great opportunity to showcase your work to the only Green Chemistry conference focusing on the Great Lakes region!
