

STUDENT POSTER CONTEST

Sign up today for the
2012 Michigan Green
Chemistry and Engineering
Student Poster Contest!

- Publicize your projects and ideas to Michigan's leaders
- Compete against other universities and departments
- Network with future employers

2012 Michigan Green Chemistry and Engineering Conference:
Driving Sustainable Manufacturing
October 26, 2012
Wayne State University

Winning posters will be selected by a team of judges and recognized at the conference. More at www.michigan.gov/greenup
